Purpose of the Joe Sewell Memorial Award

The purpose of the Joe Sewell Memorial Award is to recognize outstanding high school senior athletes, who by their actions have consistently represented the highest ideals of Christian leadership in athletics. Approximately 28 high school seniors from across Elmore County are nominated for this award. One boy and one girl will be selected as the overall Joe Sewell Award recipient. Each will receive a \$1,000 John Sewell Scholarship. Their high school coaches and administrators nominate the students. Approximately 28 ninth graders are also nominated and receive a certificate. The nominees for the award are recognized for:

- Setting a Christian example of moral fitness and good sportsmanship
- Accepting their God-given gift of athletic ability and working to maximize their athletic potential
- Athletic achievement
- Achieving an academic performance level reflective of 100% effort and a recognition of the importance of education in their total development
- Obtaining the respect of their teammates and opponents through examples of character and perseverance
- Being a positive role model for their peers and for younger youth and children
- Giving 100% effort in practice and competition
- A willingness to make personal sacrifices for the good of their team
- Providing Christian leadership both in and out of the athletic arena
- Consistent church attendance, involvement and leadership
- Involvement in Christian activities and in organizations which promote Christian ideals
- Participation in student organizations, student government and other school activities

The nominees of the Joe Sewell Memorial Award have set themselves apart by their moral character, Christian example and excellence in their achievements. They have earned their nomination through hard work and by consistently exhibiting the qualities on which the award is based. We commend each nominee and their parents, families, coaches and teachers for what they have accomplished, but more importantly, for how they have gone about it.

Now we ask our nominees to "pass it forward" and commit to helping other young people be men and women of character and thereby make Elmore County, the State of Alabama, and indeed our great country a better place to live.

JOE SEWELL

LUKE SEWELL

THE SEWELL BROTHERS

JOHN SEWELL SCHOLARSHIP

John Sewell was a cousin of Joe Sewell who was dedicated to the game of baseball and a positive influence on young people. After a successful business career, John spent almost all of his available time working with young people. He admitted his greatest weakness in life by saying, "I just can't say no to a kid that wants to play ball. I'll do anything to help him."

In 2000, John went on a mission to find his cousin's famous bat. When it was found in Birmingham, John had the opportunity to hold it and make the connection to his famous cousin from years past.

John continued to coach and be a part of youth baseball until his death in 2003. He was a resident of Coosada. His wife Billie serves on the Board.

Joe Sewell still holds the record for The Hardest Player to Strike-Out in Baseball

Joe Sewell was born in Elmore County's Titus community in 1898. Most die-hard baseball fans know of the legendary Joe Sewell. However he stood in the shadows of some of baseball's giants in the game – Babe Ruth, Lou Gehrig and many others. He played for the Cleveland Indians and New York Yankees in his career from 1920 to 1933. Sewell was inducted into the Baseball Hall of Fame in 1977 and died in Mobile in 1990.

Joe Sewell still owns two of Major League Baseball's records, records which most fans of the game say will never be broken. He holds the lifetime record for fewest strikeouts at bat during his 14 year pro career – 114 in 7,132 games. Sewell holds the single season record for fewest strikeouts at bat of just three strikeouts in 640 games in 1930 and 1932. A left handed hitter who threw right handed, Sewell was a speedy shortstop who led the American League in fielding twice and putouts and led the league four times in assists.

When it came to hitting, no one matched Joe Sewell. Few rookies then and even in today's modern era faced a tougher assignment or more pressure than Sewell did in 1920. While Sewell was playing his first professional season in New Orleans right out of college (Alabama), Cleveland Indians hero Ray Chapman was killed by a Carl Mays' pitch in August. When Chapman's replacement was hurt on Labor Day, the kid from Alabama got the call and was thrust into one of the most heated pennant races ever in the American League. "Little Joe" as he was called (5'7"), proved equal to the task, batting .329 for the rest of the season in helping the Cleveland Indians to their first American League Championship pennant.

From September 13, 1922 to April 30, 1930, he played 1,103 straight games – a major league record at that time, and only surpassed by his teammate, the great Lou Gehrig. He and his younger brother, Luke Sewell, are still ranked 8th on baseball's Most Career Hits list for brothers. Sewell used a 40-ounce bat called "Black Betsy" during his entire career. That bat rests now in the Alabama Sports Hall of Fame Museum in Birmingham.

But for all of his athletic feats, it is the character of the man that this award seeks to emulate as well. Joe Sewell was known as a quiet man of character and conviction. During the depression, Joe was known on several occasions throughout the years to bring baseballs, gloves and bats to the kids of Elmore County. He loved the game and wanted other poor kids from the South to have a chance to learn the game and the sportsmanship that accompanied it.

After retirement he spent several years coaching for the Yankees. He later was a scout for the Indians. He was head baseball coach at his alma mater, the University of Alabama, for several years leading the Tide to an SEC title in 1968. Alabama's baseball stadium is named for him.
